**February 2024**

*New Leaf Foods, Inc. supports the health and well-being of the people of Greater Green Bay by promoting healthy food access and education and by cooperating throughout Northeast Wisconsin to build a thriving local food system in a clean environment.*

## Seed Library Launch

We are rapidly approaching our 2nd Annual Seed Library Launch, which is scheduled for March 2 from noon - 3pm at the Central Library. There will be activities for gardeners of every age, including:

- Native seed bomb making with the Green Bay Conservation Corp
- Seed harvesting with Wild Ones
- Seed art with New Leaf Foods
- Food is a Suitcase for Seeds Storytime with FoodWise
- Seed tape making with NEW Master Gardeners
- Looking at seeds under microscopes with Green Bay Botanical Gardens
- First Annual Green Bay Area Seed Swap featuring seeds from local seed savers (we encourage you to bring seeds to donate as well as come and take some!)
- And many more!

There will also be providing several mini-gardening presentations during the programming. Additional information will be available soon on the Brown County Library's [website](#).

\*You can volunteer to sort and pack seeds. Opportunities will be posted on the New Leaf Foods **Calendar of Events**, included in our newsletters and posted with the **Volunteer Center of Brown County**. Our current upcoming seed events are posted below.

Feb 18, 9am - 11:30am & 12:00pm - 2:30pm (free)

## Garden Blitz Update

As we enter a new season, we wanted to take a moment to reflect on the incredible journey we've shared through our Garden Blitz program over the past decade. It's been an honor to witness the impact of this program as it blossomed with the dedication of hundreds of volunteers like you. Together, we've nurtured gardens, fostered community connections, and sowed the seeds of positive change.

With gratitude in our hearts, we've made the decision to pause the Garden Blitz for this year...

## Articles, Recipes, Updates!

### Sign Up for a CSA!

Joining a Community Supported Agriculture (CSA) program means receiving a regular delivery of fresh, seasonal produce directly from local farms. It's a great way to support local agriculture, enjoy nutritious food, and reduce your environmental impact by eating sustainably grown fruits and vegetables.
